

October 10, 2016

Appointment of the Managing Director Sweden

I am pleased to announce that Mr. Ola Skogö has been appointed as the new Managing Director for Aviator Airport Services Sweden AB.

Ola Skogö will commence his role on November 28, 2016.

Since 2009, Ola has been working for Coor, a leading Nordic facility management company, in various executive management positions – latest being the Region Director with responsibility for the company’s largest contract. Ola has previously worked as a management consultant and has a master’s degree in civil engineering & industrial economy from the Technical University in Lund, Sweden.

Ola’s broad experience of working many years within different management positions in challenging environments makes him a good candidate to take on the role as the MD for the SE operations.

Jan Brunstedt has had the role as acting Managing Director for Sweden since March 2015 and I am pleased that we have now found a permanent solution for the Swedish business.

I would like to thank Jan Brunstedt for the excellent job he has done and for all his time and effort he has put into managing the Swedish operations.

I am very much looking forward to welcoming Ola to Aviator in November and to working closely with him in the future.

Kind Regards
Jo Alex Tanem
CEO Aviator Group
